How do I...? Use the advanced course search?

Do you need to find a specific teacher, class with a certain number of credits, or perhaps only look for classes that meet Monday, Wednesday and Friday? Try the advanced search option!

1) Visit MyMHCC (my.mhcc.edu).
2) Click on “Schedule of Classes”.
3) Select the term you would like to search from the drop-down menu, then click “Search for Courses”.
4) Instead of clicking on a category of class, click on the “Class Search” button at the top of the page.
5) Select any options you want to search for, and click the “Execute Search” button. (Do not press the Enter key on the keyboard because it will take you back to the main course schedule page instead.)
