

# Course Articulation Agreement

between Mt. Hood Community College and Eastern Oregon University

---

This articulation agreement is between Mt. Hood Community College (MHCC) and Eastern Oregon University. The purpose of this agreement is to develop, maintain, and promote a smooth academic pathway that supports successful student transition from MHCC's Associate of Science Oregon Transfer - Business to the completion of EOU's Bachelor of Science in Business Administration.

This agreement will be updated as courses are added, deleted, modified or re-titled, including changed course numbers. It is the responsibility of the school making the changes to notify the other partner school of the changes so that appropriate updates can be made. Curriculum changes by either EOU or MHCC must be communicated in writing no later than June 30 of any academic year for the subsequent academic year.

This agreement is dated December 1, 2017 beginning with the MHCC graduating class of the 2017-18 academic year, and shall remain continuous unless terminated as provided herein. Either party may terminate or suspend this Agreement for convenience upon sixty (60) days written notice; provided, however, that the parties shall discuss and reasonably attempt to resolve the issues that led to the notice of termination or suspension during the sixty (60) day period.

Admissions to EOU does not guarantee admissions to specific EOU degree programs which may have additional requirement such as GPA, test score or other criteria. This agreement does not convey any promises, such as financial aid or course placement, unless otherwise noted. Students wishing to enroll at EOU must meet the following admission requirements:

1. Meeting all EOU admission criteria (either freshmen or transfer student) prior to enrollment in the student's first EOU course.
2. Passing with a grade of C- or higher all required community college courses as identified in this agreement.

The MHCC Associate of Science Oregon Transfer - Business has been reviewed by EOU faculty and approved for articulation into the Bachelor of Science in Business Administration. Students are responsible for notifying the EOU Admissions and Registrar Offices when exercising this agreement to ensure the credits are appropriately transferred. Upon graduation from MHCC, students have one (1) year to enroll at EOU and exercise the benefits of this articulation agreement.
