MHCC SCHOLARSHIP APPLICATION TIPS

The following advice is given in the hope that you will successfully complete the MHCC Scholarship Application and move forward to being awarded free money to help you pay for college.

Getting Started

- You must use blue or black ink ONLY. If you don't, your application will be shredded.
- You must turn in ALL pages of the application. If you don't, your application will be shredded.
- If your application is missing any of the required documents or requested information, your application will be shredded.
- We do not accept late applications.

Step I

- Use only blue or black ink—NO PENCIL.
- Answer every question.
- Write legibly—if we can't read it, we can't award you.
- The major you write down on this part of the form must be the major you have declared at MHCC, and it should also show on your MHCC transcript.

Step II

- If you did complete the FAFSA for the term covered by the scholarship, fill in your EFC (Estimated Family Contribution). You can access this number from your FAFSA at <http://www.fafsa.ed.gov/>
- If you did not complete the FAFSA or if you are not eligible to submit a FAFSA, use an EFC calculator. An EFC Calculator is at http://apps.collegeboard.com/fincalc/efc_welcome.jsp.

Step III

- It's always best to type the answers to the four questions. If you must print, do so neatly and legibly.
- Answer each of the four questions completely and thoroughly.
- Ask a friend, teacher or parent to proofread your answers and to check your grammar and spelling.
- Neatness counts!
- If your answer to one of the four questions is abstract, support it with a concrete example that illustrates your point. The scholarship sponsors want to see evidence that you satisfy their criteria, not just unsupported statements.
- If you are a parent or work fulltime, you may use those examples as your involvement in community activities.

Step IV

- You may need two current (within the last year) letters of recommendation.
- Each letter should be written on college or company letterhead.
- Each letter should address your academic potential, with particular, specific details that are uniquely YOU.
- Ask for the letters at least four weeks before the application deadline.
- Carefully and thoughtfully choose who you ask for a letter of recommendation.

Step V

- Transcript copies must be legible.

Step VI

- Sign and date application. Failure to do so will result in your application being shredded.
- Turn complete application in to the Office of Financial Aid by 5pm on the deadline. Applications found in the drop box or on the fax after 5pm will not be considered.
