MHCC Walk-in Flu Clinic

FREE H1N1 Flu Vaccinations for MHCC Students & Staff

**Thursday, Dec. 10, 2009
9 a.m. to 2 p.m.**

MHCC Gresham Campus
Room AC1756 Allied Health Wing

In cooperation with the Multnomah County Health Department the MHCC Nursing program faculty and students will administer the H1N1 vaccine, both injectable vaccine and FluMist®. Priority groups first, while supplies last.

PRIORITY GROUPS:

- Pregnant Women.
- Children under 5 years of age (6 to 59 months).
- Individuals under 64 years of age with chronic health issues, such as diabetes, heart disease, asthma, chronic lung disease.
- Individuals who care for infants under 6 months of age.
- Health care workers.

All other staff and students (regardless of age and health) also welcome.
