

MHCC Vocational ESL (VESL) **Machine Tool Program**

August 30, 2010 - March 18, 2011

For Non-Native English Speakers, Immigrants, and Refugees

This half-year program provides extensive help and job placement assistance for students

Tuition Assistance and Scholarships Available

- **Learn about blueprint reading, precision measuring, CNC machining, math, and industrial safety.**
- **Improve your English skills** — some English is required for this program — applicants take an English proficiency exam.
- **This is a full-time daytime training:** eight hour of classes during the day Monday through Friday.
