ASG Presidential Elections
2009-2010

Voters Guide

John King and Bradley Best

Hello fellow MHCC students. We are candidates Bradley Best (President) and John King (Vice-President). The Best-King ticket has an open door policy. Concerns voiced will see action. We will only appoint MHCC student leaders that share our commitment to addressing student needs.

I, Bradley Best, am working towards an Engineering major with an analytical mind. I am currently working in our computer labs assisting in any way that I can. I am a founding member of Pi to the 5th (MHCC Math Club). While serving as a Senator for the Social Science and Business departments I learned a lot about the student body and its needs. I also served on the ASG *Academic and Budget* committee, and frequently volunteer in Barney's Pantry. We will be an effective lobbyist to our state representatives and an enthusiastic representative to our District Board of Education.

I, John King, am becoming a writer. A creative nonconformist, I have no trouble thinking "outside the box". Being the first male in my family to finish high school, I value education very highly. I seek office because I want MHCC to remain a quality institution for my five sons who will also likely attend this college. My interpersonal skills, frugality, skill in mediation, and commitment to quality work stem from life experiences running my own construction business, working as an R.T. in critical care, and being a father to five sons.

Vote for Best and King, expertise with experience in 2009-2010

Danielle Pannell and Rae Peres

As student government directors, both Danielle Pannell and Rae Peres have devoted their time to ensuring EVERY student is heard.

As Director of State and Federal Affairs, Danielle has lobbied at our state capital about the importance of funding our schools. Danielle testified before the Joint Ways and Means Committee urging legislators to prioritize community colleges. She also serves as a Board member and Executive Committee member for the Oregon Student Association. Danielle was recently nominated for the Governor's Post-Secondary Quality of Education Commission which gives her the opportunity to take the student's voice directly to the governor. Danielle strives to be an example and leader to all those around her.

Rae Peres is currently the Director of Diversity and the Vice President of the Queer Straight Alliance. Rae chairs the Student Diversity Council where she facilitates discussions regarding diversity. Rae spends an enormous amount of time researching ways of implementing diversity on campus. Her goals are to create a community of acceptance for MHCC students. As the Vice President of QSA, Rae sees to it that LGBT students are acknowledged and hopes that by spreading diversity, others may see the cultural world in a new light.

Personal Statement:

If elected, we will uphold the office of the MHCC's ASG President and Vice President with passion, honest, and integrity. To respect the entire student body by ensuring their voices are heard; and to emphasize both community and diversity.
