HOW DO I DROP A CLASS?

1) Log on to MyMHCC (my.mhcc.edu).
2) Under the Frequently Used Links section, click on “Register for Classes.”

3) Click on "Add/Drop Courses"
4) Under "Your Schedule (Registered)" section, click to check the box to left of the class you want to drop, and then click "Drop Selected Courses."

The message will then appear indicating the course was "Successfully Dropped!"

**IMPORTANT NOTE:**

In order to not be charged for a course, you must drop it by the course’s refund date, which is listed on your schedule as shown above.

If you need assistance using the web registration system, please contact the Student Services HUB.
