

**Associate of Applied Science in Mental Health / Social Service / Addiction
Counseling at Mt. Hood Community College
Articulated with the Bachelor of Applied Science Degree in Human Services
at Clark College**

This articulation agreement is between Mt. Hood Community College (MHCC) and Clark College. The purpose of this agreement is to develop, maintain, and promote a smooth academic pathway that supports successful student transition from MHCC's Associate of Applied Science in Mental Health / Social Service / Addiction Counseling (MHSSAC AAS) to the completion of the Clark College Bachelor of Applied Science degree in Human Services (BASHS).

This agreement will be updated as courses are added, deleted, modified or re-titled, including changed course numbers. It is the responsibility of the school making the changes to notify the other partner school of the changes so that appropriate updates can be made. Curriculum changes by either Clark or MHCC must be communicated in writing no later than June 30 of any academic year for the subsequent academic year.

This agreement is dated August 1, 2018 beginning with the MHCC graduating class of the 2017-18 academic year, and shall remain continuous unless terminated as provided herein. Either party may terminate or suspend this Agreement for convenience upon sixty (60) days written notice; provided, however, that the parties shall discuss and reasonably attempt to resolve the issues that led to the notice of termination or suspension during the sixty (60) day period.

Admission to Clark does not guarantee admission to specific Clark degree programs which may have additional requirement such as GPA, test score or other criteria. This agreement does not convey any promises, such as financial aid or course placement, unless otherwise noted. Students wishing to enroll at Clark must meet the following admission requirements:

- Meeting all Clark admission criteria (either freshmen or transfer student) prior to enrollment in the student's first Clark course.
- Passing with a grade of C- or higher all required community college courses as identified in this agreement.

BAS Degree Requirements

In addition to completing a two year degree students must also complete all of the major and distribution area requirements:

- Complete a minimum of one hundred and eighty (180) college-level credits
- Complete sixty (60) upper division (300 or 400 level) credits

- Complete the following BAS general education requirements: Communication Skills (10 credits), Quantitative/Symbolic Reasoning Skills (5 credits), Humanities (10 credits), Social Science (10 credits), Natural Sciences (10 credits, including one laboratory course)
- Maintain a minimum cumulative college-level grade point average (GPA) of 2.00 or higher
- Thirty (30) credits minimum must be completed at Clark College to meet Academic Residency.

Signatures on file in Instructional Services.

Mt. Hood Community College and Clark College agree to the following:

1. For students who complete the MHCC Mental Health, Social Services, and Addiction Counseling AAS program, the major area courses in the AAS degree will transfer to the Clark BAS in Human Services program as a 60-credit block. In addition, the 18-credit ACED course requirement in the Clark BAS in Human Services program will be waived.
2. General education courses taken at MHCC will apply to the BAS general education requirements as follows:

| <i>Clark Distribution Area</i> | <i>MHCC courses</i> |
|---|--|
| 1. Communication Skills (10 cr.) | Any courses in the Writing AAOT distribution list |
| 2. Quantitative Skills (5 cr.) | MTH243 and 244 |
| 3. Humanities (10 cr.) | Any courses in the Arts & Letters AAOT distribution list |
| 4. Social Science (10 cr.) | PSY201, 235, and 236 |
| 5. Natural Sciences (10 cr.) | Any courses in the Science/ Mathematics/ Computer Science Laboratory AAOT list |
| 6. Other general education courses (15 cr.) | Any courses on any of the nine AAOT distribution lists |
